THE PRINCIPAL SOCIETIES—WILLIAMSBURG, Nov. 25, 1852.
Several changes have been made since Dr. P. W.
Bay's portion of the colored citizens of Williamsburg of
selling their votes, and deceiving them, by placing in their
hands Democratic tickets, and representing them as the
members of the party; but we can see no good reason
why we, as far as we have come to the conclusion the above
charges are not sustained. Therefore we fully exonerate
him and we further recommend him as one who is worthy
of all the confidence and esteem of the colored people and
the public.
